DBGS Trips 2017-18

Dear Parents,

At DBGS, we strive to enrich our students' learning with valuable and memorable experiences to help them shape their personalities and prepare them for the future. In addition to the various after school activities, we encourage students to take part in school trips which enable them to gain life skills and become well-rounded individuals. Many trips are planned throughout next year with the intention to cater for a wide variety of interests and to suit our students' needs.

Below is the list of trips offered by our teachers for next school year; please assist your child in choosing his/her next adventure.

Please note that, in order to confirm bookings and to purchase tickets, some trips such as the **London Arts** trip and the **Ski** trip need your commitment and an immediate action. Click on each trip name to download its details, including deposits and payments deadlines. The exact dates and venues of BSME trips will be confirmed once their calendar is published.

Please be advised that the costs at this stage are approximate and will be finalised once the number of participating students is determined. Deposits are only refundable if the trip doesn't run or if we cannot offer a place for your child.

Please note that students are not allowed to take mobile phones or other internet-connectable devices (tablets, laptops etc) on school trips. If they wish to take photographs, they must take a camera.
